To the holders of ordinary shares of £0.001 each in the capital of CentralNic Group Plc ("Ordinary Shares")

Dear Shareholder

Annual General Meeting of CentralNic Group Plc (the "Company")

1. Introduction

I am pleased to be writing to you with the details of our Annual General Meeting ("**AGM**"), which we are holding on Monday, 24 April 2023 at 10.30 am. The formal notice of the AGM (the "**Notice**") is set out on pages 4-5 of this document.

2. Business to be transacted at the AGM

Details of the resolutions to be proposed at the AGM are set out below. Resolutions 1 to 10 are proposed as ordinary resolutions and resolutions 11 to 12 are proposed as special resolutions.

Ordinary Resolution One: Annual Report and Accounts

In accordance with the requirements of section 437 of the Companies Act 2006 ("**Act**"), the Company will lay before the AGM the annual report and accounts of the Company for the year ended 31 December 2022 (the "**Annual Accounts**"). A copy of the Annual Accounts is enclosed with this document.

Ordinary Resolution Two: Final Dividend

The payment of the final dividend of 1.0 pence per share in respect of the year ended 31 December 2022, which is recommended by the Board, requires the approval of shareholders in general meeting.

Ordinary Resolution Three: Directors' Remuneration Report

In accordance with best practice, the Directors of the Company ("**Directors**") will present to the meeting the Directors' Remuneration Report for the year ended 31 December 2022.

Ordinary Resolutions Four to Seven: Re-election of Directors

The Company's articles of association ("**Articles**") require that any Director who has not been appointed or reappointed at either of the two previous annual general meetings of the Company shall be required to retire, and if eligible and willing, seek re-election at the next AGM of the Company. Furthermore the Articles also require that Directors appointed to the Board since the last annual general meeting also seek re-election at the first annual general meeting of the Company subsequent to their appointment.

Accordingly, under resolutions four to seven it is proposed that each of Claire MacLellan, William Green, Thomas Rickert and Samuel Dayani will separately retire and seek re-election at the AGM.

Ordinary Resolutions Eight and Nine: Re-appointment of Auditors and Remuneration

Shareholders will be asked to confirm the reappointment of Crowe U.K. LLP as the Company's auditors to hold office until the conclusion of the next annual general meeting and to grant authority to the Directors to determine the auditors' remuneration.

Ordinary Resolution Ten: Grant of authority to the Directors to allot Ordinary Shares

It is proposed to authorise the Directors to allot new shares in the Company or to grant rights to subscribe for or convert any security into shares in the Company up to an aggregate nominal value of £96,220 (equivalent to 96,220,000 Ordinary Shares), which is approximately equal to one third of the issued share capital of the Company as at 28 February 2023 (being the latest practicable date prior to the publication of this document). The Directors currently intend only to make use of this authority (a) to issue Ordinary Shares as consideration in connection with any acquisitions of companies or businesses which the Company may wish to make; and/or (b) in connection with an offer for subscription or placing of Ordinary Shares with investors to raise additional funds for the Company.

2. Business to be transacted at the AGM continued

Special Resolution Eleven: Disapplication of pre-emption rights on allotment of Ordinary Shares

If the Directors wish to allot unissued shares or other equity securities for cash, the Act requires that such shares or other equity securities are offered first to existing shareholders in proportion to their existing holdings. It is proposed that the Directors be granted authority to allot equity securities for cash, without first being required to offer such securities to existing shareholders, by the limited disapplication of Section 561 of the Act.

The authority disapplies section 561 of the Act and grants the Directors authority to allot equity securities and/or disapplies section 563 of the Act to allow the Directors to sell shares held in treasury up to an aggregate nominal amount equal to £28,866 (equivalent to 28,866,000 Ordinary Shares, which would constitute approximately ten per cent. of the issued share capital of the Company as at 28 February 2023, being the latest practicable date prior to publication of this document) without first offering the securities to existing shareholders.

The total number of Ordinary Shares in issue as at 28 February 2023 (being the latest practicable date prior to publication of this document) is 288,660,084. At 02 March 2023 the Company held 2,570,160 treasury shares, which represents 0.89% per cent of the total number of ordinary shares in issue at that date. The proposed resolution also disapplies the statutory pre-emption provisions in connection with a rights issue and allows the Directors, in the case of a rights issue, to make arrangements in relation to fractional entitlements or other legal or practical problems which might arise.

Special Resolution Twelve: Authority for purchase of the Company's own shares

Shareholders will be asked to grant the Company the ability to purchase its own shares.

This resolution seeks to grant the Directors authority (until 1 July 2023 or the conclusion of the Company's next annual general meeting (if earlier), unless such authority is revoked or renewed prior to such time) to make market purchases of the Company's own shares up to an aggregate nominal amount of £28,866 (equivalent to 28,866,000 Ordinary Shares, which would constitute approximately ten per cent. of the issued share capital of the Company as at 28 February 2023, being the latest practicable date prior to publication of this document).

The maximum price payable would be an amount equal to 105 per cent. of the average of the middle market quotations for an Ordinary Share of the Company for the five business days immediately preceding the date of purchase and the minimum price would be the nominal value of £0.001 per Ordinary Share.

Although the Directors have no current intention to make such purchases, they consider that it is in the best interests of the Company and its shareholders to keep the ability to make market purchases of the Company's own shares in appropriate circumstances, without the cost and delay of a general meeting. The authority will be kept under review and would only be exercised after careful consideration and when the Directors are satisfied that to do so is in the best interests of the Company and the shareholders generally under the circumstances.

The Company may hold in treasury any of its own shares that it purchases in accordance with the authority conferred by this resolution such that sales of shares from the treasury could also be made outside a preemptive rights offer. This would give the Company the ability to reissue treasury shares quickly and cost effectively and would provide the Company with greater flexibility in the management of its capital base.

Action to be taken

You are entitled to appoint a proxy to vote at the AGM on your behalf. CREST members who wish to appoint a proxy by utilising the CREST electronic proxy appointment service may do so and should follow the relevant instructions set out in the notes to the Notice on page 6 of this document.

If voting by proxy you should appoint your proxy as soon as possible but in any event not later than 10.30 am on 20 April 2023. If you appoint the Chairman of the meeting as your proxy, this will ensure your votes are cast in accordance with your wishes even though you may not attend the meeting.

Alternatively, you may vote online at www.signalshares.com citing your Investor Code (which can be located on your share certificate).

3. Recommendation

The Directors consider that all of the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Yours faithfully

Iain McDonald

Non-Executive Chairman

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. To appoint more than one proxy, contact the Company's registrars, Link Group, PXS1, Central Square, 29 Wellington Street, LEEDS, LS1 4DL. Where more than one proxy is appointed, a member must specify the number of shares the rights in respect of which each proxy is entitled to exercise. A proxy need not be a shareholder of the Company. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of joint holdings (the first named being the most senior).
2. The return of a completed Form of Proxy will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
3. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of it by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.
4. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & International Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company's agent, Link Group (CREST Participant ID RA10) by the latest time(s) for receipt of proxy appointments specified in this Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.
5. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
6. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
7. Unless otherwise indicated on the Form of Proxy, CREST voting or any other electronic voting channel instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.
8. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only shareholders registered in the register of members of the Company as at close of business on 20 April 2023 (or in the event of any adjournment, at close of business on the day which is two days (excluding non business days) before the date fixed for the adjourned meeting) shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at such time. Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the meeting.
9. As at 28 February 2023 (being the latest practicable date prior to the publication of this document), the Company's issued share capital consists of 288,660,084 Ordinary Shares of £0.001 each which each carry one vote. Therefore, the total voting rights attaching to the Ordinary Shares in the Company as at 28 February 2023 are 288,660,084.
10. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
